Aaron Langston
Director

From the Director . . .
It is said that successful people are those who set goals equal to their potential and then reach those goals through dedication, perseverance, and diligence. It is my hope, and the hope of the faculty and staff of the Golden Triangle Voc-Tech Center, that you have set goals equal to your potential and that we have played a small part in your achievement of those goals. A DAY WITH GOVERNOR WILLIAM WINTER

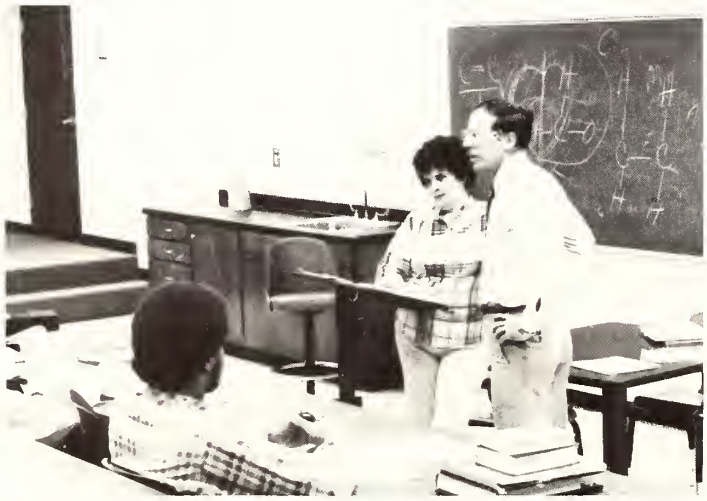
Are you sure you want to enter Golden Triangle Voc-Tech Center?



Would you like me to tell you about anatomy?

Yes, I'm old enough to vote!

Where's the boy's room?

Who says I don't rub elbows with the governor?

I'm married but I'll work on you, too!

All the better to see you with, my dear.
